

Ryde Carnival Ambassadors - Community Champions

Ryde Carnival is a non-profit organisation, we are striving to actively promote diversity and inclusivity.

This ambassador needs to be out-going and happy to have conversations with people within the Ryde community.

RCA hopes to engage the whole community of Ryde with our passion for carnival. We are looking for people who can spare a couple of hours once a week, fortnight or month to attend local meet ups in the community to promote Ryde Carnival.

Our aim is to make Ryde Carnival more visible in our community.

Tasks might include:

- Attending a coffee morning, holding a collection bucket at a supermarket, enjoying a cuppa and cake chat at Ryde Library to chat to others and promote our brilliant carnival.
- Sharing information about how to enter, our community grants, promote fundraising etc.
