

Ryde Carnival Ambassadors – Fundraising Supporter

This ambassador will need to be friendly and positive. It costs around £14,000 to put the carnival on. Every donation helps, large and small. We're looking for people to help us raise funds by either hosting their own events or helping our business sponsorship programme.

Your own events. You can help by:

- Holding fundraising events like quizzes, coffee mornings and bake sales
- Taking part in car boots sales for Ryde Carnival Association
- Running an online fundraiser
- Holding a sponsored event

Supporting our business sponsorship plans

We are working on building our relationships with local businesses in Ryde. In 2022 we have a new sponsorship scheme for businesses to join.

We're looking for someone who ideally has some sales experience. You'll be confident about talking to businesses about the carnival and what we do to help them understand how they can support Ryde Carnival.

Ryde Carnival

Entertaining our Town since 1888
